2. General Product Description

Your Card is a prepaid Visa card. Your Card provides you with the means to monitor and access your Available Balance anywhere in the world where prepaid Visa cards are accepted.

The Card is not a credit or charge card and the Available Balance does not earn interest. Your Available Balance is not a savings or checking account.

It is important for you to understand that the Account is not a bank account, and is instead a non-cash payment facility. When NIUM receives funds that are credited to the Available Balance you acquire an interest in (or an increased interest in) a non-cash payment facility (being the Account). Those funds are therefore not moneys which are subject to the client money protections in the Corporations Act 2001 (Cth).

The Available Balance is supported by a bank guarantee (the “Bank Guarantee”). The Bank Guarantee is issued by an Australian authorised deposit-taking institution (the “Issuer”) in favour of Global Loan Agency Services Australia Nominees Pty Ltd (the “Trustee” or “GLAS”) who holds the benefit of the Bank Guarantee on trust for NIUM’s customers, including all customers with Available Balances.

NIUM is required to ensure that, at any point in time, the amount of the Bank Guarantee is greater than the aggregate Available Balances of all customers of the Services. If an insolvency event occurs with respect to NIUM or NIUM is found by any court or tribunal in Australia or the Australian Financial Complaints Authority (“AFCA”) to be in breach of any

obligation owed to you in connection with the Account or Available Balance which breach is not remedied within 10 Business Days following receipt by NIUM of the final non-appealable judgement or determination of the court, tribunal or AFCA, the Trustee must make a demand on the Bank Guarantee.

You acknowledge that if a demand is made on the Bank Guarantee, the Trustee will apply the proceeds of the Bank Guarantee to satisfy Available Balances of affected customers held (a) in Australian Dollars, in Australian Dollars and (b) in any other currency, in Australian Dollars using an exchange rate determined by the Trustee (acting reasonably). In these circumstances you can contact the Trustee at:

The Bank Guarantee referenced in this clause has been issued with the intention of satisfying an exemption published by the Reserve Bank of Australia under section 25 of the Payment System (Regulations) Act 1998 (Cth) on 4 March 2004 (the "Exemption"). You acknowledge and agree that (i) if NIUM no longer relies on the Exemption in respect of your funds, such as where NIUM is granted an authorised deposit-taking institution licence, neither Nium nor the Trustee need maintain the Bank Guarantee; and (ii) for the purposes of establishing the Bank Guarantee arrangements, Nium is authorised to transfer free and clear title to all relevant balances held in the Account (or otherwise received to be credited to the Available Balance) to the Issuer as collateral for performance of the Bank Guarantee.
